SPECIAL SCHOLARSHIPS FOR MUHAMMADANS—1915-16

With a view to improving Muhammadan education in this Presidency, eight special scholarships commencing from the first term and continuing throughout the whole of the secondary course will be awarded every year in some day schools. They will be tenable by pupils belonging to the following classes of the Muhammadan community of this Presidency—Mappilas, Lakhis, Dutchies and Jemmas. They will be of the same value as the scholarships that are now awarded under the Government Scholarship Regulations, 1905-16, to pupils in secondary schools (VII, Ea, 8 per mensem in forms I to III and Ea, 8 per mensem in forms IV to VI) and will be held under similar conditions. Of these eight scholarships, three will be placed at the disposal of the Inspector of Schools, VIII Circle, and one at the disposal of each of the Inspectors of the III, V, VI, VII and IX Circles for award to their districts, subject to the conditions laid down in the Government Scholarship Regulations of 1915-16, dated 28th June 1915, and published in the Fort St. George Gazette, dated 6th July 1915. During the current year scholarships may be awarded—one in each of the forms I to VI in the III, V, VI, VII and IX Circles and three in each of the forms I to VI in the VIII Circle, provided suitable candidates apply for them, and if awarded they may be renewed from year to year until a recipient has finished his school career. In subsequent years they will be awarded only in the first form.

2. In addition to the above, four special collegiate scholarships tenable by all students of Muhammadan communities from the Junior Intermediate class and continuing throughout the whole of the Intermediate and B.A. courses will be awarded every year in colleges. The value of each of these scholarships will be Rs. 9 per mensem in the Intermediate classes and Rs. 14 per mensem in the B.A. classes.

An additional scholarship tenable in the Honours class (i.e., the 8th year class of the University course) will also be awarded at Rs. 14 per mensem. The award of these scholarships will be governed by the rules regulating the award of Government collegiate scholarships already published in the Fort St. George Gazette, dated 6th July 1915. They will be awarded during 1915-16.

10. Candidates must send in their applications made out in English in printed form or that they must take the Commission's office on or before the 31st August, after which date no applications will be received. 15. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application, which must in every case reach the Commission's office on or before the 31st August. On no account will the fee be received on the Commission's office unless sent in such or by Post Office order. Candidates are requested to study the regulations carefully and satisfy themselves, before sending their fees, that they fulfil the prescribed conditions of admission to the examination and that they are, if necessary, provided, at their own expense, beyond the limits of the examination centre selected by them, for the purposes of undergoing the Written or the Oral and Practical examinations.

18. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects in which the examination is divided into stages, or as having passed the Intermediate (late Preliminary) when the examination is of two grades—Intermediate and Advanced—must in their applications state the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

19. The examinations in the subjects under "Drawing, etc.," will be conducted in the order of time and subjects set forth in the following table.
